ESSAY

The “Mission Grows” Scholarship is a scholarship established by Mission Health System for financial assistance to individuals seeking to become certified nursing assistants (CNAs). Successful completion of the program may result in employment within the Mission Health System as a CNA, and you may be eligible for additional CNA II, RN or other clinical career scholarships.

One of North Carolina’s largest health systems and the region’s only not-for-profit, independent community hospital system, Mission Health is fully committed to helping our community Be Well, Get Well and Stay Well.

Experience the difference of a “Great Place to Work & Practice” employer, nestled in the 18-county region in the lush mountains in and around Asheville. Our progressive culture highlights and recognizes the strengths of our team members through innovative programs like StandOut. A Total Rewards program goes beyond traditional benefits to include tuition reimbursement, employee discounts, adoption assistance, pet insurance and more. The “MyHealthyLife” staff wellness program has been recognized as one of the nation’s “Best and Brightest in Wellness” for two consecutive years.

Many career journeys, one destination; our in-house Career Exploration Center can help you find your path. A commitment to work-life balance helps you be your best each day, and a variety of engagement opportunities means you can lend your talents to making Mission Health the best it can be. See examples of life beyond the role description at #lifeatmission.

An industry leader in innovation, Mission is committed to building a better future for our community. We’ve been named one of the country’s Most Wired health systems, investing heavily in information technology to improve patient experience and optimize efficiency.

Whether you work in the heart of Asheville at Mission Hospital or at one of our local community hospitals across western North Carolina, you'll be part of something bigger.

It is hoped that this scholarship will be beneficial to those who need financial assistance to enter the medical profession, whether to be employed as a CNA, or to begin their career as a CNA and possibly seek additional education and career opportunities within Mission Health. It is desired that recipients of the scholarship will contribute to Mission Health's BIG(GER) Aim: to get every person to their desired outcome, first without harm, also without waste and always with an exceptional experience for each person, family and team member.

With this information in mind, please answer the following questions and submit with your application:

1. What are your long-term career goals? (Begin with a topic sentence that explains why you are choosing your particular field of study or career path.)
2. Tell the scholarship committee about your story; what are the events that have inspired you toward your field of study or career path?
3. How will this scholarship help you meet your career goals?
4. How do you see yourself potentially contributing to Mission's BIG(GER) Aim: *to get every person to their desired outcome, first without harm, also without waste and always with an exceptional experience for each person, family and team member.*

APPLICATION DEADLINE: FRIDAY APRIL 27, 2018
